The approximate quantity of cement required during the current year beginning with October 1919 and ending with June 1920 is about 1,000 barrels and the same should be supplied in about equal quantities every month, or as they are required. The above quantity is not, however, guaranteed.

Further particulars could be had on application to the Chairman, Mysore City Improvement Trust Board.

The weight of the cement in each barrel to be 400 lbs. The cement to be fresh and uncaked, delivered F. O. R., Mysore, in good condition at supplier's risk through an authorised agent.

The first delivery to be by the 1st of October 1919. Records of tests of analysis to accompany tenders.

The cement not to fall short of the requirements of the British Standard specification and to have as little free lime as possible with co-efficent of contraction a minimum.

Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supply of cement," in default of which, tenders will be rejected.

The final acceptance of tender will rest with the Chairman, City Improvement Trust Board, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Chairman's Office and intimated in due course. No enquires regarding the acceptance or rejection of a tender will receive any reply.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
